## LEARN

This 3 year qualification will equip you with skills to be able to confidently undertake emergency first aid if someone becomes ill or injured at work. Candidates will receive training in a range of first aid skills including:

- The ability to act safely and effectively when an accident or emergency occurs.
- The treatment and priorities of care for an unconscious patient.
- The recognition and treatment of a person in seizure.
- The recognition of cardiac arrest and delivery of CPR.
- The use of an AED.
- The ability to recognise and safely treat a patient who is choking.
- The ability to safely and promptly treat a patient who is bleeding.
- The keeping of simple records following an accident at work
